

**ROUND LAB**

# 1025 Dokdo Cleanser

**CAD \$18**

Unlock a clearer complexion with 1025 Dokdo Cleanser, ideal for sensitive skin. This mildly acidic cleanser (pH 5.0 – 6.0) offers a foamy, creamy texture that purifies without drying. It effectively removes impurities, controls excess oil, and gently exfoliates, all while soothing and brightening your skin. Dive into hydration and reveal a naturally glowing complexion.
